

UOL Group announces Rômulo Dias as the new CEO of the UOL Group

São Paulo, March 9, 2018 – UOL Group announces Rômulo Dias as the new CEO of the UOL Group. Rômulo will report to the UOL Group's founder, Luiz Frias, and will begin his new position on April 2, 2018.

Rômulo will be a part of the Strategic Committee of the UOL Group, whose members are Luiz Frias (Chairman of the UOL Board), Eduardo Alcaro (the UOL Group's CFO, M&A and Investor Relations Officer) and Judith Brito, responsible for Human Resources, Legal and Institutional Affairs.

The new CEO will be responsible for the operations of all companies within the UOL Group - UOL Content / Digital Services, UOLDiveo, UOLEdtech and PagSeguro, which was recently listed on the New York Stock Exchange (NYSE).

Rômulo has a degree in Economics from the Federal Fluminense University (*Universidade Federal Fluminense*), an MBA and a post-graduate degree in Executive Management Development from IBMEC and a post-graduate degree in Corporate Law from the Getúlio Vargas Foundation (*Fundação Getúlio Vargas* – FGV).

Rômulo has worked for the Bradesco Group since 2000. He also served as the CEO of Cielo from 2008 to 2016, where he led the company's public offering on the B3 (formerly Bovespa). Since 2016 he has served on the board of executive officers of Bradesco.

The UOL Group welcomes Rômulo, who's experience is expected to contribute to the continuous growth of results of the UOL Group companies and the development of their professional teams.

About PagSeguro:

PagSeguro Digital is a disruptive provider of financial technology solutions focused primarily on micro-merchants, small companies and medium-sized companies in Brazil. PagSeguro Digital's business model covers all of the following five pillars:

- Multiple digital payment solutions;
- In-person payments via point of sale (POS) devices that PagSeguro Digital sell to merchants;
- Free digital accounts;
- Issuer of prepaid cards to clients for spending or withdrawing account balances; and
- Operating as an acquirer.

PagSeguro Digital is an UOL Group Company that provides an easy, safe and hassle-free way of accepting payments, where its clients can transact and manage their cash, without the need to open a bank account. PagSeguro Digital's end-to-end digital ecosystem enables its customers to accept a wide range of online and in-person payment methods, including credit cards, debit cards, meal voucher cards, *boletos*, bank transfers, bank debits and cash deposits.

PagSeguro Digital's mission is to disrupt and democratize financial services in Brazil, a concentrated, underpenetrated and high interest rate market, by providing an end-to-end digital ecosystem that is safe, affordable, simple and mobile-first for both merchants and consumers.
