About PagSeguro:

PagSeguro/PagBank is a disruptive provider of financial technology solutions focused primarily on micro-merchants, small companies, medium-sized companies and consumers in Brazil. PAGS 's business model covers the following five pillars:

- Multiple digital payment solutions;
- In-person payments via point of sale (POS) devices that PagSeguro sells to merchants;
- Free digital accounts and financial services
- Issuer of prepaid, cash and credit cards
- Operating as an acquirer.

PAGS 's mission is to disrupt and democratize financial services in Brazil, a concentrated, underpenetrated and high interest rate market, by providing an end-to-end digital ecosystem that is safe, affordable, simple and mobile-first for both merchants and consumers.
