

Introducing Moderninha Smart: Our New Integrated Point-of-Sale device

São Paulo, October 15, 2018 – PagSeguro Digital Ltd., or (“PagSeguro” or “we”) (NYSE: PAGS), today announced the launch of its new device, Moderninha Smart, a modern, portable and fully integrated Android™ based point-of-sale that works seamlessly with any business.

Moderninha Smart offers a full integration of hardware, PAGS’ Apps and its fast and secure payments network. By combining all the high-end functionalities such as Wi-Fi, Bluetooth and 4G connections, as well NFC and QR Code acceptance, Moderninha Smart offers a robust managed payment experience.

Moderninha Smart was built for simplicity and ease of use, it requires no setup and integrates features like product catalog, inventory management, installment calculator, bank slips (*boleto*) issuing and payment links. The integration of software and hardware helps merchants to be more productive and serve clients better.

PAGS point-of-sale software also gives merchants the ability to run their business efficiently by managing their PAGS’s account, including bill payment, mobile top-up, balance transfer among other functionalities available in our ecosystem.

Moderninha Smart has a five-year warranty and is priced at 12x of R\$69.90 or R\$838.80. Merchants can accept all card schemes.

PAGS will launch a new country-wide online and offline advertising campaign to promote this new product (**watch the video in the link below**)

About PagSeguro:

PagSeguro is a disruptive provider of financial technology solutions focused primarily on micro-merchants, small companies and medium-sized companies in Brazil. PagSeguro's business model covers all of the following five pillars:

- Multiple digital payment solutions;
- In-person payments via point of sale (POS) devices that PagSeguro sells to merchants;
- Free digital accounts;
- Issuer of prepaid cards to clients for spending or withdrawing account balances; and
- Operating as an acquirer.

PagSeguro is an UOL Group Company that provides an easy, safe and hassle-free way of accepting payments, where its clients can transact and manage their cash, without the need to open a bank account. PagSeguro's end-to-end digital ecosystem enables its customers to accept a wide range of online and in-person payment methods, including credit cards, debit cards, meal voucher cards, *boletos*, bank transfers, bank debits and cash deposits.

PagSeguro's mission is to disrupt and democratize financial services in Brazil, a concentrated, underpenetrated and high interest rate market, by providing an end-to-end digital ecosystem that is safe, affordable, simple and mobile-first for both merchants and consumers.
