## About PagSeguro:

PagSeguro is a disruptive provider of financial technology solutions focused primarily on micro-merchants, small companies and medium-sized companies in Brazil. PagSeguro's business model covers all of the following five pillars:

- Multiple digital payment solutions;
- In-person payments via point of sale (POS) devices that PagSeguro sells to merchants;
- Free digital accounts;
- Issuer of prepaid cards to clients for spending or withdrawing account balances; and
- Operating as an acquirer.

PagSeguro is an UOL Group Company that provides an easy, safe and hassle-free way of accepting payments, where its clients can transact and manage their cash, without the need to open a bank account. PagSeguro's end-to-end digital ecosystem enables its customers to accept a wide range of online and in-person payment methods, including credit cards, debit cards, meal voucher cards, *boletos*, bank transfers, bank debits and cash deposits.

PagSeguro's mission is to disrupt and democratize financial services in Brazil, a concentrated, underpenetrated and high interest rate market, by providing an end-to-end digital ecosystem that is safe, affordable, simple and mobile-first for both merchants and consumers.
