PagSeguro Announces Launch of Proposed Secondary Follow-on Offering

São Paulo, October 15, 2019 – PagSeguro Digital Ltd., or PagSeguro Digital (NYSE: PAGES), announced today that it has commenced a follow-on public offering by its selling shareholder, Universo Online S.A., or UOL, of its Class A common shares pursuant to a prospectus included in a registration statement on Form F-3 filed with the U.S. Securities and Exchange Commission, or the SEC, on the date hereof, which automatically became effective upon filing, and an accompanying preliminary prospectus supplement filed with the SEC on the date hereof. In the offering, UOL is proposing to sell 16,750,000 existing Class A common shares. UOL has also granted the underwriters a 30-day option to purchase up to 2,512,500 additional Class A common shares at the public offering price less the underwriting discount. Immediately following this offering, PagSeguro Digital will have a total of 328,828,656 common shares (including treasury shares) issued and outstanding, of which 179,957,795 shares (including treasury shares) will be Class A common shares beneficially owned by investors other than UOL, representing a free float of 54.7%, assuming no exercise of the underwriters' option to purchase additional common shares from UOL.

No other shareholder of PagSeguro Digital is selling in the offering.

PagSeguro Digital's Class A common shares are listed on the New York Stock Exchange under the symbol "PAGES."

None of the Class A common shares being offered will be sold by PagSeguro Digital and PagSeguro Digital will not receive any proceeds from the offering. This offering will not have any dilution effect on PagSeguro Digital's current shareholders.

PagSeguro Digital is the parent company of PagSeguro Internet S.A., a provider of financial technology solutions incorporated in Brazil.

Goldman Sachs & Co. LLC and Morgan Stanley & Co. LLC will act as Global Coordinators. When available, a copy of the prospectus and the accompanying preliminary prospectus supplement relating to the offering may be obtained from Goldman Sachs & Co. LLC, Attention: Prospectus Department, 200 West Street, New York, New York 10282, telephone: 1-866-471-2526, facsimile: 212-902-9316 or by emailing Prospectus-ny@ny.email.gs.com; and Morgan Stanley & Co. LLC, Attention: Prospectus Department, 180 Varick Street, 2nd Floor, New York, New York 10014.

This press release does not constitute an offer to sell or a solicitation of an offer to buy the securities described herein, nor will there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About PagSeguro:

PagSeguro Digital is a disruptive provider of financial technology solutions focused primarily on consumers, individual entrepreneurs, micro-merchants, small companies and medium-sized companies in Brazil. Among its peers, PagSeguro Digital is the only financial technology provider in Brazil whose business model covers all of the following five pillars:

- Multiple digital banking solutions
- In-person payments via point of sale (POS) devices that PagSeguro Digital provides to merchants

-
- Free digital accounts that PagSeguro Digital provides to its consumers and merchants with functionalities such as bill payments, top up prepaid mobile phone credit, wire transfers, peer to peer transfers, prepaid credit cards, cash cards, loans, investments, QR code payments, and payroll portability, among other digital banking services
 - Issuer of prepaid, cash and credit cards
 - Operate as a full acquirer

PagSeguro Digital is an UOL Group Company that provides an easy, safe and hassle-free way of owning a free PagBank digital account, which is similar to a regular checking account linked to the Brazilian Central Bank's platform, with the feature of accepting payments, where its clients can transact and manage their cash, without the need to open a regular bank account. PagSeguro Digital's end-to-end digital banking ecosystem enables its customers to accept a wide range of online and in-person payment methods, including credit cards, debit cards, meal voucher cards, *boletos*, bank transfers, bank debits and cash deposits.

PagSeguro Digital's mission is to disrupt and democratize financial services in Brazil, a concentrated, underpenetrated and high interest rate market, by providing an end-to-end digital banking ecosystem that is safe, affordable, simple and mobile-first for both merchants and consumers.
